WHO WE ARE

At Pumpkin Patch, we believe that managing crops and plants should be easy and accessible to everyone. Our app is designed to help you keep track of your plants, monitor their growth, and optimize their yield. Whether you're a seasoned farmer or a novice gardener, our app provides you with the tools you need to grow healthy and bountiful crops. We understand that every plant is unique, and that's why our app is tailored to meet the specific needs of each crop. With Pumpkin Patch, you can rest assured that your plants are in good hands.

FIND

Find your crop within our expanding database
